**3. ODOT All Roads Transportation Safety Program**

**Background:** The All Roads Transportation Safety (ARTS) Program is a safety program to address safety needs on all public roads in Oregon. Working collaboratively with local road jurisdictions (cities, counties, MPO's and tribes), ODOT hopes to increase awareness of safety on all roads, promote best practices for infrastructure safety, compliment behavioral safety efforts and focus limited resources to reduce fatal and serious injury crashes throughout Oregon. ODOT staff will provide an overview of the program, including funding schedules.

**Attachments:** None. Information will be distributed at the meeting. Additional information about the program is available on the following site:  
<http://www.oregon.gov/ODOT/HWY/TRAFFIC-ROADWAY/Pages/ARTS.aspx>

**Action Requested:** None. Information only

**4. Bend Safety Implementation Program**

**Background:** Multilane roadway crossings present special circumstances which can lead to a common crash type. The City of Bend is in the process of identifying roadway crossing enhancements to cross Colorado Avenue, 3rd Street, and Greenwood Avenue. The project is in currently in the concept development phase. City staff will provide an overview of the program and the draft concepts developed to date.
